Future Worlds Center's 4th annual Holiday Gift Collection

In the Spirit of giving and the joy it brings, Future Worlds Center (FWC) is organising its 4th annual Holiday gift collection to support the families of refugees and asylum seekers in Cyprus. This Holiday season let us all give some joy to the children of these families by making sure they receive a gift to let them know they are valued and loved.

All gifts should be wrapped and the age and gender of the child for which the present is intended (ages 0-14) is indicated on the outside of the gift.

For further information please contact FWC at tel: 22 873820 or fax: 22 873821.

FWC offices are open Monday to Friday, 900-1700 and are situated at 5 Promitheos street, 1st floor, office 4 in Nicosia.

Future Worlds Center coordinates the Unit for the Rehabilitation of Victims of Torture (URVT) which offers free social and psychological support to victims of torture and their families. FWC is also the implementing partner of "Strengthening Asylum in Cyprus" a project funded by the United Nations High Commission for Refugees (UNHCR) in Cyprus. This project offers free legal advice and social support to refugees and asylum seekers.
